ELEGANT AND EFFICIENT

Our Captiva 600 and 900 high-efficiency glass fronted fireplaces provide an impressive large-scale fire with exceptional heating capacities. Thanks to its balanced flue direct vent technology, this is an ideal fireplace for large rooms or situations where conventional flue methods are not possible. The Captiva is one of the most efficient gas fireplaces on the market. It is both a practical and stunning heating solution for any home.

Balanced flue

New application

Natural gas or LPG

Up to 4.5 star efficiency

Full remote control function

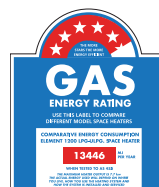

Pebbles or Coals and Logs

Traditional or contemporary

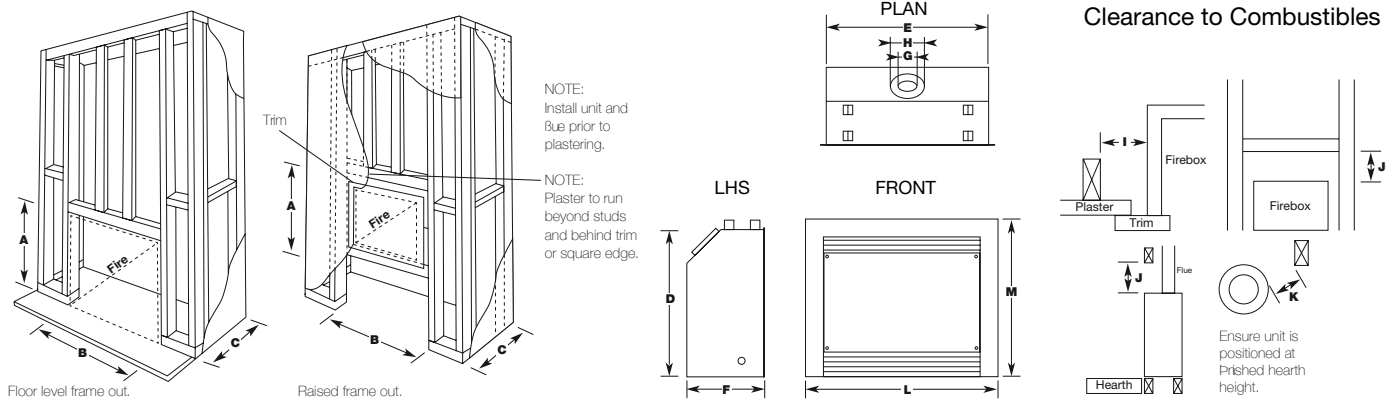

Double glazed space heater

600 heats up to 85m² and 900 heats up to 100m²

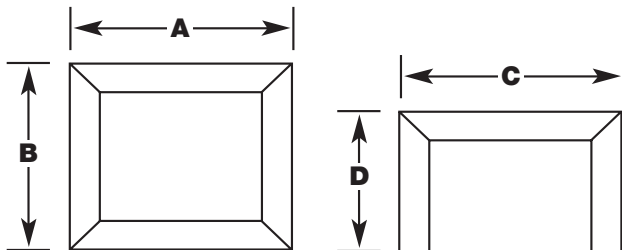

Conceived, designed, researched, developed and built in Australia
